

Did you know that Halloween began as a Christian holiday? The name *Halloween* is a blending of the words *All Hallows'* and *Even or E'en* (referring to the evening before All Hallies' Day, or All Saints' Day, which is November 1). The term *hallow* means "holy." All Saints' Day was established as a time to celebrate the lives of holy men and women who had died. For Christians, death is a time to celebrate the passing from this life into eternal life with God. However, for those who have not heard the good news about heaven, death can be terrifying – that is why a holiday focused on the dead became so dark and mysterious. But you don't have to be afraid of death. "For God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life" (John 3:16).
